

Make Tracker your own

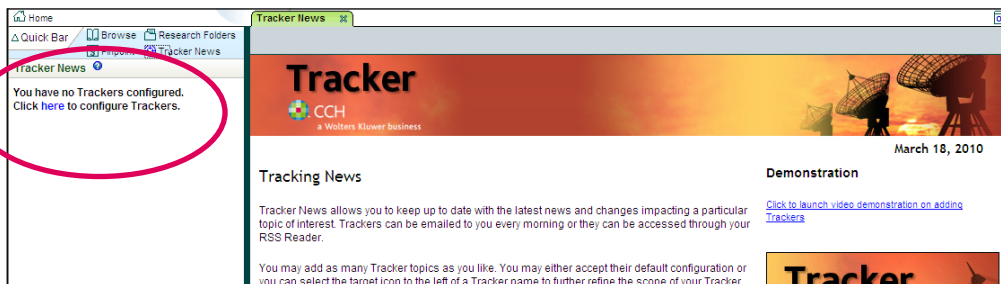

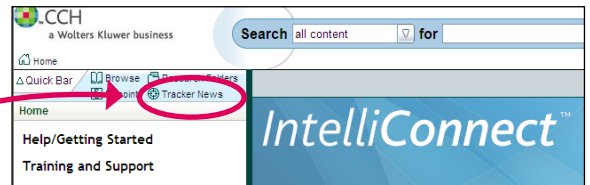

Tracker is the new daily alerting service from CCH that will deliver the news to you in the format and topic of your choice. From 12 April 2010 you will receive updates on news and developments in your chosen area of practice as either an RSS feed, email or via your CCH IntelliConnect™ subscription.

How to get Tracker started

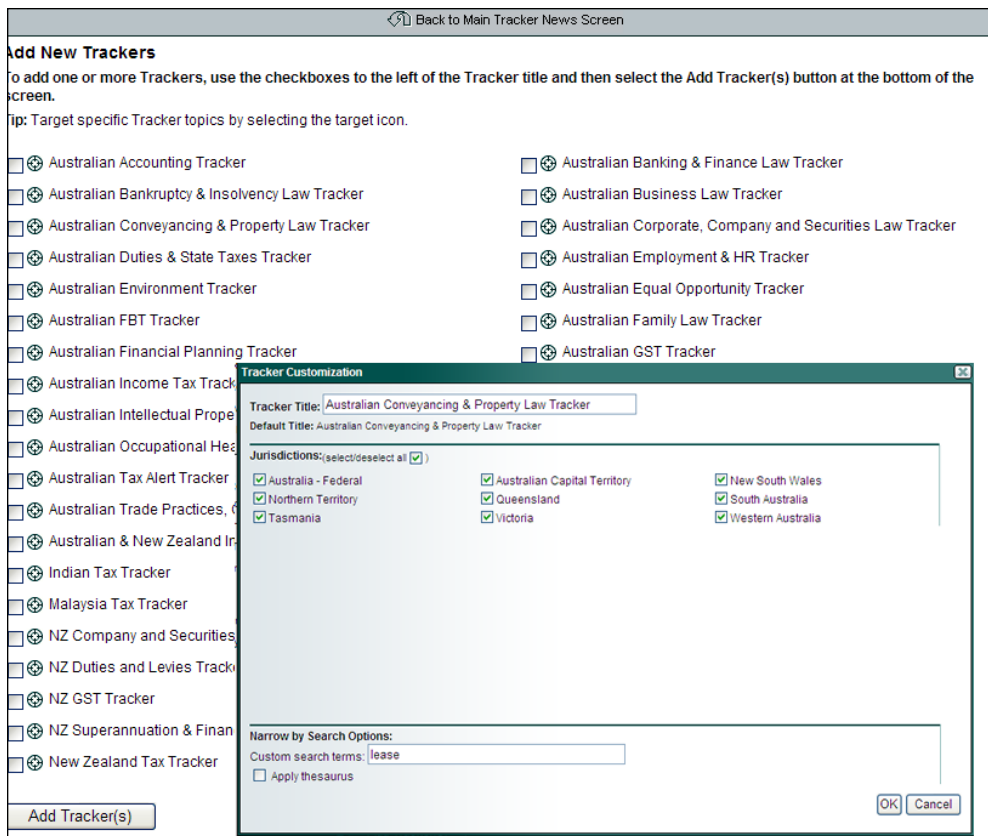

All you have to do is activate your Tracker and it's ready to go.

Make Tracker yours by following these 4 simple steps.

- 1 Log in to IntelliConnect™ with your existing CCH login. Don't have a login? [Click here to register!](#) You will need your ship-to number.
- 2 Once you are logged in to IntelliConnect™, click on the Tracker icon and click 'Click here to configure Trackers'.

- 3 To add Trackers, check the boxes for the Trackers that you would like to activate. Customise your newsfeed by clicking on the target icon and choosing keywords to tailor your newsfeed to your needs. When you are finished click on the 'Add Tracker(s)' button at the bottom of your screen.
