CCH Political Alert

CCH Political Alert is the most immediate source of political, government and legislative information available. Alerts are delivered via email as developments occur, according to your interest areas.

You receive:

- legislation and regulations
- policy announcements
- media releases
- interview transcripts and speeches
- transcripts of parliamentary and committee proceedings.

CCH Political Alert offers comprehensive coverage of Government – Federal, State and Territory – and industry developments. With **CCH Political Alert** your business will be better informed and better prepared for political and government change.

Benefits include:

- fast access – often delivered within minutes of the release
- customise your alert profile – choose from 38 topics and over 350 sub-topics
- multiple user options – one subscription can include up to 10 users in your organisation
- your own personal archive – don't clog up your inbox
- saves you time – each alert contains a brief summary
- source material is attached to each alert
- one-stop alert shop – no need to subscribe to multiple websites.

What our customers say:

"Relevant and timely alerts to political news is a critical requirement for any government relations team. The CCH Political Alert service is first class in this regard and is supported by friendly, co-operative and helpful staff. As long time subscribers, we have no hesitation in recommending this CCH service."

David Quilty

Director, Government Relations
Telstra

"When it comes to policy affecting our sector, we need to be able to respond quickly to new developments. Political Alert makes sure that we stay informed so that we can ensure our voice is heard."

Vicki Thomson

Executive Director
Australian Technology Network

Other CCH Parliament Services

CCH Political Alert Premium

CCH Political Alert – Premium has been developed with the information needs of larger organisations and government departments in mind who require a broad coverage of political and regulatory news, delivered to a large number of people and practice areas within their organisation.

Premium Package includes:

- 25 Political Alert topics
- 25-user license
- CCH Parliament Online 'Mailbox' – Searchable archive of Political Alerts
- CCH Parliament Publications: National Daily Headlines, Federal Political Update, Federal Government Directory & Federal Bill Tracker
- Dedicated account manager

CCH Bill Tracker

CCH Bill Tracker provides a comprehensive legislation guide which tracks the progress of Bills before the Parliament. Bill Tracker is issued weekly when Parliament is sitting and monthly during non-sitting periods. Subscribers also receive a Daily Bills List report each day when Parliaments sits, summarising the progress of Bills from the day before. Bill Tracker is currently available for Federal, NSW and Victoria jurisdictions only.

CCH Parliament Research Service:

CCH Parliament can provide research and document retrieval support for your Knowledge Centre/Library as and when required. Our team of experienced Parliament & Government analysts based in Parliament House, Canberra are specialists in locating political, legislative and regulatory information that is typically hard to find and/or not available online. Research is charged in 30 minute increments for Political Alert and Online Database Subscribers. Quotes are provided before research is commenced.

Some of our recently completed research assignments include:

- The Senate has a Committee on Superannuation - Who are its members? Is it conducting any inquiries?
- Has the Tax Office made a federal ruling recently on work-related clothing?
- Did the then Federal Opposition issue a statement on corporate governance prior to the last election?

Please note: For Political Alert Premium and Online Database subscribers, research queries via phone or email that can be answered immediately are provided with compliments as a support service to your organisation.

CCH Parliament Online Database

The ultimate all in one news database! This online database contains Political Alert news summaries and source documents dating back to 1998!
