

Index

Below are cumulative indexes for issues in Volume 18 (2002). **Entries show Volume and Issue Number** page numbers. For example, the reference for "Hairdressing, musculoskeletal disorders" is to pages 67–76 of Issue 1 of Volume 18.

Please note that the following indexes are to be found within the main subject index: **Videos/Software Reviewed Indexes, Publications Reviewed Index, Who's Who Index**. The **Author Index**, however, remains a separate index located at the end of the main index.

Acclimatisation

- empirical validation of new heat stress index **18(2)**145-153

Aerotoxic syndrome

- aircrew exposure to in-cabin airborne contaminants **18(4)**321-338
- health symptoms in BAe 146 aircrew **18(4)**305-312

Aggressive behaviour

- management of patients..... **18(3)**231-237

Agricultural workers

- low back pain, Southland (NZ) **18(2)**167-171

Airborne contaminants

- aircrew exposure, aerotoxic syndrome **18(4)**321-338
- health symptoms in BAe 146 aircrew **18(4)**305-312
- neuropsychological assessment of BAe 146 aircraft crew **18(4)**313-319

Aircraft — see **Aviation industry**

AMA Guides

- impairment assessment **18(5)**419-423

American Medical Association (AMA)

- guides to impairment assessment **18(5)**419-423

Angiography

- radiographers, lead aprons **18(4)**357-366

Armed robbery

- small retail businesses **18(3)**223-230

Asbestos

- diagnosis and attribution **18(5)**443-452
- legal constructs **18(5)**395-397

Assault — see **Violence**

Attitudes

- physiotherapy students' reflections on workplace safety culture **18(2)**137-143
- workplace health and safety officers (Qld) **18(1)**35-44

Attribution of disease

- asbestos-related diseases **18(5)**443-452

Audiometric tests

- recent developments (NSW)..... **18(5)**437-441

Aviation industry

- aircraft cabin fumes..... **18(4)**291-294
- aircrew exposure to in-cabin airborne contaminants **18(4)**321-338
- health symptoms in BAe 146 aircrew **18(4)**305-312
- neuropsychological assessment of BAe 146 crew **18(4)**313-319

Back injuries

- reducing the energy cost of sheep shearing **18(2)**173-179

Back pain

- low back pain, farmers in Southland (NZ) **18(2)**167-171

BAe 146 aircraft

- health symptoms in BAe 146 aircrew **18(4)**305-312
- neuropsychological assessment of BAe 146 crew **18(4)**313-319

Book Reviews — see **Publications Reviewed Index**

Carbon monoxide

- office building air quality, Perth (WA) **18(4)**367-373

Carcinogens

- electromagnetic fields of 50 Hz **18(3)**259-268

- Central business district**
indoor air quality, Perth (WA)..... **18(4)**367-373
- Chemistry degrees**
health, safety and environment
units (Australia) **18(3)**273-278
- Club Zero project**
OHS management systems, fabricated
metal product companies **18(4)**347-356
- Coal mining industry**
Special Medical Boards (NSW) **18(5)**431-435
- Code of conduct**
writing medico-legal reports **18(5)**453-459
- Committees (OHS) — see Health and safety committees**
- Community safety organisations**
occupational violence and hold-up
prevention **18(3)**223-230
- Commuters**
trends in work-related fatalities in
Australia, 1982 to 1992 **18(1)**21-33
- Compensable injuries**
health outcomes **18(2)**107-109
- Computers**
ergonomics, work environment
and health **18(3)**247-257
- Construction industry**
OHS committees and problem
solving **18(3)**239-246
- Coronial files**
trends in work-related fatalities in
Australia, 1982 to 1992 **18(1)**21-33
- Costs**
workers compensation system
(NSW) **18(5)**425-429
- Court cases**
abattoir, back injury..... **18(1)**17
child-care centre liable for baby's
disability **18(3)**216-217
compensation for mesothelioma **18(2)**121
demolition work, unqualified proprietor
caused death **18(1)**18-19
design flaw, paraplegia..... **18(5)**409-410
disabled worker, hand drawn into
shredder **18(1)**15-16
electrical hazard prosecution (WA) ... **18(4)**301-302
exposure to glue fumes **18(4)**300-301
fall from cherry picker **18(5)**407
fall from coal conveyor..... **18(1)**16
fall from roof
—school student **18(5)**411
—shoulder injury **18(5)**408-409
fall from truck **18(5)**408
fall through asbestos roof **18(5)**410
fatalities
—building labourer **18(1)**18-19
—police officers..... **18(2)**117
—road construction employee **18(3)**218-219
—school student, roof access **18(5)**411
hospital fire caused by
soldering equipment **18(2)**120
jockey, heart attack in sauna **18(2)**121-122
mesothelioma after retirement **18(5)**407
NSW railway fine **18(4)**301
nurse, TB contracted at work..... **18(3)**219
police officers
—assaulted at social occasion **18(2)**117-119
—killed on duty **18(2)**117
psychiatrist, assault by patient **18(5)**412-413
rail traffic controller hit by train..... **18(1)**17-18
schools
—boy (9) struck by baseball bat **18(3)**217
—fatality from roof..... **18(5)**411
—principal tripped on unsealed
path **18(3)**217-218
—student's hand in circular saw **18(3)**119-120
—teacher collided with metal pole..... **18(3)**219
spinal injury, mower operator..... **18(2)**120-121
steel bristles entered worker's body... **18(4)**302-303
unforeseeable fall from truck **18(5)**408
wharf accident, mooring ropes..... **18(5)**411-412
