

Below are cumulative indexes for issues in Volume 20 (2004). **Entries show Volume and Issue Number page numbers.** For example, the reference for “**Job demands, musculoskeletal disorders**” is to pages 37–47 of Issue 1 of Volume 20.

Please note that the following indexes are to be found within the main subject index: **Videos/Software Reviewed Indexes, Publications Reviewed Index, Who’s Who Index.** The **Author Index**, however, remains a separate index located at the end of the main index.

A-weighted sound pressure level	20(6) 535-538
Academic staff	
ergonomics and computer use....	20(2) 139-153
Accident Compensation Corporation (NZ)	
all-terrain vehicle-related claims, 2000/01	20(4) 335-343
Action research	
OHS practitioners	20(1) 49-58; 20(3) 225-227
Adolescents	
violence in juvenile detention centres	20(6) 511-521
Age and employment (NZ)	20(4) 291-295
Agricultural chemicals	
exposure	
assessment	20(4) 311-318, 319-324
farm workers and pesticides	20(4) 319-324

patterns of use and effects	
on health (NZ)	20(5) 459-464
reform of OHS policy	20(4) 311-318
regulation	20(3) 255-261;
	20(4) 311-318, 319-324

Agricultural industry

all-terrain vehicle-related ACC claims, 2000/01 (NZ).....	20(4) 335-343
---	----------------------

All-terrain vehicles

ACC claims, 2000/01 (NZ)	20(4) 335-343
--------------------------------	----------------------

Behaviour change

adopting risk controls in small business	20(1) 69-77
safety program for manual handling	20(6) 555-561

Best practice

psychological injury in the workplace	20(6) 523-533
psychosocial issues and OHS models	20(4) 345-357

Blasting injuries

open-cut mining	20(6) 547-554
-----------------------	----------------------

Casual workers

OHS problems of direct-hire workers	20(3) 241-254
---	----------------------

Change in the workplace

adopting risk controls in small business	20(1) 69-77
Club Zero intervention study.....	20(1) 59-67
OHS practitioners.....	20(1) 3-4
roles of the safety profession	20(1) 23-35

Chemical manufacturing

health, safety and environment	
climate analysis	20(2) 155-167

Chemicals

use among farmers (NZ).....	20(5) 459-464
-----------------------------	----------------------

China

occupational health and safety	20(5) 441-444
-------------------------------------	----------------------

Cholinesterase

testing for rural workers (NSW)....	20(4) 325-334
-------------------------------------	----------------------

Club Zero	20(1) 59-67
------------------------	--------------------

Index

Codes of practice

manual handling (Vic)**20(4)**359-369

Comparative study

changing requirements for safety
professionals**20(1)**23-35

Computer use

post-graduate students and
academic staff**20(2)**139-153

Construction industry

performance versus prescriptive
approaches to OHS (Vic)**20(6)**563-571

Contextual environment

workplace violence**20(2)**115-126

Court cases

arm injury, saw used at
hazardous angle**20(3)**221-222
armed robbery
— employee put at risk**20(3)**213-214
— post-traumatic stress
disorder**20(3)**214-215; **20(5)**410-411
back injuries
— lifting refrigerator**20(5)**416
— lifting wire coil**20(1)**18-19
burn injuries
— farmhand**20(2)**105
— sprayed by corrosive slime**20(5)**411-412
— steam explosion**20(3)**218-219
carbon monoxide exposure,
casual workers**20(2)**102
carbon monoxide poisoning**20(3)**212-213
casual workers
— carbon monoxide exposure**20(2)**102
— fuel on smoking fire**20(2)**105
— student worker, fall through
skylight**20(3)**217-218
contractor's son injured at
building site**20(1)**17
deckhand hauling heavy
mooring line**20(2)**104-105
diesel burner incidents**20(4)**306-307
drug dependency, undercover
police officer**20(5)**414-415
electrician, live switchboard**20(6)**503
explosion, fireworks business**20(2)**101
factory fails to improve safety**20(6)**504-505

fall from A-frame ladder**20(3)**222
fall from mezzanine**20(4)**308
fall from unsafe truck load**20(1)**20
farmhand, fuel thrown onto
smoking fire**20(2)**105
fatalities
— crushed in moulding
machine**20(4)**305-306
— electrician, live switchboard**20(6)**503
— explosion at fireworks business**20(2)**101
— farm manager killed in all-terrain
vehicle**20(5)**412-413
— farmhand struck by trash rake
machine**20(5)**409
— foreman, fall from platform**20(3)**211
— hydraulic jack**20(3)**219
— inexperienced roof worker**20(6)**503-504
— miner crushed**20(2)**103
— miner killed by falling
blocks**20(1)**17-18; **20(2)**103
— miner killed by slab of coal**20(5)**415-416
— rail employee hit head
on bridge**20(3)**210-211
— stonemason cutting
concrete pipe**20(4)**304-305
— subcontractor cutting
concrete beam**20(4)**305
— tractor accident on
poultry farm**20(3)**216-217
— unsafe loading of barge**20(2)**104
field officers injured while moving
gravel**20(1)**16-17
fingers cut in cotton ginning
machine**20(2)**101-102
foreman killed in fall from platform**20(3)**211
forensic work, PTSD**20(3)**220-221
guard alighting from moving train**20(3)**210
HMAS Voyager disaster, PTSD**20(3)**219-220
hydraulic jack, fatal injury**20(3)**219
leg injury
— amputation by auger**20(5)**410
— stump grinder**20(1)**15-16
maritime industry
— deckhand hauling heavy
mooring line**20(2)**104-105
— unsafe loading of barge**20(2)**104

- mining industry
 — injury in roof collapse**20(6)**506
 — miner crushed.....**20(2)**103
 — miner killed by falling
 blocks**20(1)**17-18; **20(2)**103
 — miner killed by slab of coal**20(5)**415-416
 — opal miner injured in
 roof collapse**20(6)**506
 nurse attacked by patient.....**20(3)**211-212
 post-traumatic stress disorder
 — armed robbery**20(3)**214-215;
 20(5)410-411
 — collision at sea.....**20(3)**219-220
 — forensic work.....**20(3)**220-221
 psychiatric illness from
 workload**20(3)**215-216
 psychological injury from
 witnessing fatality**20(4)**307-308
 rail employees
 — fatal head injury**20(3)**210-211
 — guard alighting from
 moving train**20(3)**210
 roof work without safety
 harness**20(3)**209-210
 roofing contractor, fall**20(1)**18
 rubbish collector emptying
 heavy bin**20(1)**19-20
 saw used at hazardous angle.....**20(3)**221-222
 slip, trip and fall injuries,
 cleaner**20(2)**105-106
 spinal injuries
 — crushed by hydraulic
 equipment.....**20(5)**409
 — deckhand hauling heavy
 mooring line.....**20(2)**104-105
 steam explosion**20(3)**218-219
 tractor fatality on poultry farm.....**20(3)**216-217
 trainee factory hand injured**20(6)**507
 tunnel worker injured by locomotive.....**20(1)**15
 unsafe chairs at family
 restaurant**20(6)**505-506
 unsafe loading of barge**20(2)**104
 unsafe use of A-frame ladder.....**20(3)**222
 van driver injured by street
 sweeper**20(5)**413-414
 warehouse fire**20(6)**507-508
- Criminal law**
 criminalisation of OHS
 breaches**20(3)**263-273
- Dairy farming**
 slip, trip and fall injuries (NZ)**20(2)**131-138
- Dangerous occurrences**
 drill and blast incidents in open-cut
 mining**20(6)**547-554
- Design and safety** — see **Workplace design**
- Disasters**
 Longford, civil action against
 Esso**20(2)**127-130
- Drilling injuries**
 open-cut mining**20(6)**547-554
- Drowning**
 rock fishing in NSW,
 1992 to 2000**20(5)**425-431
- Editorials**
 Age and employment**20(4)**291-295
 Challenges for OHS regulators**20(3)**195-197
 Health effects from mobile
 phone use**20(2)**91-94
 OHS practitioners: adapting to a
 changing world of work and risk**20(1)**3-4
 Risk management: how far
 have we come?.....**20(6)**491-494
 Too much ambivalence in
 Australian OHS policies?**20(5)**395-400
- Education and training**
 ergonomics, post-graduate students
 and academic staff**20(2)**139-153
 survey of OHS programs and
 courses offered by Australian
 universities.....**20(5)**445-457

 OHS management and sick
 leave (Norway)**20(2)**169-179
- Enforcement**
 construction industry (Vic)**20(6)**563-571
 role of OHS enforcement
 agencies (UK)**20(4)**371-379

Index

Epidemiology

- slip, trip and fall injuries in
dairy farming (NZ)**20(2)**131-138

Equipment

- regulating safe design**20(3)**229-239

Ergonomics

- post-graduate students and
academic staff**20(2)**139-153

Esso

- Longford disaster, civil action
outcome**20(2)**127-130

Europe

- changing requirements for safety
professionals**20(1)**23-35

Evaluation

- improving OHS policy through
intervention research**20(2)**107-113

Explosions

- Longford, civil action against
Esso**20(2)**127-130

Exposure assessment

- chemical use among
farmers (NZ)**20(5)**459-464
- cholinesterase testing for rural
workers (NSW)**20(4)**325-334
- noise**20(6)**535-538
- regulation of agricultural
chemicals**20(3)**255-261;
20(4)311-318, 319-324

Falls — see **Slip, trip and fall injuries**

Farm safety

- agricultural OHS policy**20(4)**311-318
- all-terrain vehicle-related ACC
claims, 2000/01 (NZ)**20(4)**335-343
- chemical use among
farmers (NZ)**20(5)**459-464
- cholinesterase testing (NSW)**20(4)**325-334
- pesticides**20(4)**319-324
- slip, trip and fall injuries in
dairy farming (NZ)**20(2)**131-138

Fatalities

- rock fishing, 1992 to 2000
(NSW)**20(5)**425-431

Fishing

- rock fishing fatalities in NSW,
1992 to 2000**20(5)**425-431

Hazardous substances

- agricultural OHS policy**20(4)**311-318

Health, safety and environment

- climate analysis: measuring performance
in the Australian context**20(2)**155-167

Health surveillance program

- cholinesterase testing for rural
workers (NSW)**20(4)**325-334

Industrial manslaughter

- criminalisation of OHS
breaches**20(3)**263-273

Injuries

- collecting shopping trolleys**20(5)**433-440
- open-cut mining**20(6)**547-554

Injury compensation claims

- all-terrain vehicles,
2000/01 (NZ)**20(4)**335-343
- slip, trip and fall injuries in
dairy farming (NZ)**20(2)**131-138

Insecticides

- regulation**20(4)**319-324

Internal control

- OHS management and sick
leave (Norway)**20(2)**169-179

Intervention strategies
